THE GUILD'S EXHIBITION

Congratulations to those 12 members who exhibited in this  
year's exhibition. What happened to the rest of you?

Gill and Ruth with their team made an excellent job of  
displaying the work, and many visitors commented on the  
creative way the space had been used.

Although entry was so small, we did expect support from our  
Guild members. At the Private View there were only 16  
people, and judging from the visitors book very few members  
during the two weeks' opening.

The work was of a very high standard and the 71 exhibits  
well worth seeing. The Guild Exhibition is yours for  
everyone to partake and enjoy.
